

EUROCONSTRUCT NETWORK:

Founded in 1975, the research and consulting group EUROCONSTRUCT has members in 15 Western and 4 Eastern European countries, offering expertise in the analysis and forecasting of construction market trends in Europe. Additional information is available at: www.euroconstruct.org

CONFERENCE FEE:

• EUR 2,200 (plus 7% VAT)

Entry to the conference including the “Summary Report” and the “Country Report” with detailed data and analyses for 19 countries as well as the conference presentations

• EUR 1,500 (plus 7% VAT)

Entry to the conference including the “Summary Report” and the conference presentations

Special arrangement for companies/institutions that wish to send more than one representative: the first attendant pays EUR 2,200 (plus 7% VAT). All additional attendants pay EUR 500 each (plus 7% VAT).

In this case, please contact the ifo Institute directly.

All conference documentation in English

REGISTRATION:

www.ifo.de/euroconstruct2017

Cancellation possible until 27th October 2017 (with reimbursement of 50% of the conference fee).

Should you be unable to participate on the day due to unforeseen circumstances, you are welcome to send a representative. Please inform us in advance of any changes.

The CESifo Group (Center for Economic Studies, ifo Institute and CESifo GmbH) informs the public of its events with a wide range of visual and audio material including live streams of event proceedings via its own website or other internet platforms, as well as recordings or photos that feature on the websites and/or in publications by the CESifo Group or of third parties, e.g. the EUROCONSTRUCT network (www.euroconstruct.org). By registering for our events, participants declare their acceptance of all recordings and that the latter may be used for the purposes cited above.
